# Giving Tuesday

This **#GivingTuesday**, we invite you to join a global movement of generosity and make a lasting impact on the lives of those facing mental health crises, substance use challenges, and homelessness this holiday season.

At **People USA**, we're committed to helping people through life's most difficult moments. Whether it's through our **mobile teams** offering immediate support, our **employment services** helping individuals get back on their feet, our **supportive housing** team assisting participants with stable shelter, or connecting people to critical resources at our **Crisis Stabilization Center** and **Rose Houses**, we are always here to provide a path to stability and hope.

But we truly can't do it without **YOU**. Your donation this Giving Tuesday can directly fund the services that change lives every day.

# HERE'S HOW YOUR GIFT CAN MAKE A DIFFERENCE

**\$10** Can provide a warm *hat and gloves* to our participants braving the cold.

**\$25** Can supply a full *cold weather care package*—hat, gloves, scarf, socks, hand warmers—to keep someone safe this winter.

**\$50** Can help connect someone to a *support group, healthcare provider, rehab,* or shelter, giving them the support they need.

**\$100** Can help someone *create a resume, explore career options, and search for jobs*—empowering them to regain independence.

Your generosity provides more than material items or services—it offers **hope, dignity,** and a second chance for those who need it most.

**Here's how you can join the movement:**

1. **[Donate Today](#)** to support life-saving services.
2. **[Follow us on social media](#)** to stay in the loop.
3. **[Get involved:](#)** Volunteer or intern with us, or **[apply for our Board](#)**.

Let's make this **#GivingTuesday** a day of hope and a day of **ACTION**. Together, we can help those who need us most this holiday season.

With gratitude,

Kristen Vaphides, Development Manager & the team at People USA
